TURF SELLERS - TURF MADE SIMPLE

We have upgraded our turf yarn quality on select products!

DuraBlade™ Technology

The molecular structure of DuraBlade™ Yarn Technology has a longer carbon chain which increases durability, resilience, temperature resistance and even the look and feel of the product.

- **Higher Durability**
2x more durable than the existing grades which means better resistance to heavy traffic.
- **Resilience**
Blades are stronger and resist flattening more than standard yarn.
- **Temperature Resistance**
Better protected against fading due to sun exposure.
- **Improved Look**
DuraBlade™ has a softer feel and more natural look compared to standard yarn.

OUR TURF PRODUCTS HAVE

ADVANCED TECHNOLOGY

OPTIMUM FLOW™

OPTIMUM FLOW™

Optimum Flow™ is our non-perforated backing that will drastically affect the drainage efficiency of your turf. With the new patent-pending Optimum Flow™ backing that **increases the drainage rate by approximately 830%**, the turf will be cleaner, drier, and free from any unpleasant pet odors.

SILVERBACK™

SILVERBACK™

The Silverback™ coating system takes advantage of **the most advanced technology in the coating industry**. Engineered with quality in mind. From the polyurethane chemistry to the application. Features technologically advanced chemistry, focused on offering only the highest quality components to create the best coating system.

ArmorLoc™ 3L

ARMORLOC 3L™

ArmorLoc™ 3L utilizes a completely woven foundation to deliver **the world's strongest artificial turf system**. The primary backing plays a very important role in the overall design of an artificial turf system. ArmorLoc™ 3L is non-directional, self-healing, and so stable that it is guaranteed not to have excess movement.

SUMMER GREEN 48

Total Weight Approximately 46 ounces	Yarn Quality C6
Pile Height Approximately 1.37 inches	Infill Amount 1 pound per square foot
Backing Latex	Warranty 4 Years
Stock Yarn / Shape Polyethylene - Mini C	Roll Size 12 x 100 feet max.

This turf will add a quality feel and look to your space, while also keeping the cost down. The pine-green and bamboo-green coloring will give your yard a natural complexion, as well as keep it looking fresh and new every day.

DESERT GREEN 54

This product has summer and emerald green blades that have been designed for a natural and healthy look. This product is made for moderate traffic and can be used for several applications.

TRIPLE GREEN 82

Total Weight Approximately 84 ounces	Yarn Quality DuraBlade™
Pile Height Approximately 1.77 inches	Infill Amount 1.5-2.0 pounds per square foot
Backing Polyurethane	Warranty 16 Year
Stock Yarn / Shape Polyethylene - C	Roll Size 15 x 100 feet max.

A plush turf with blades that give off the look of a well-groomed, neighborhood lawn. The taller field and lime green blades make for a soft look and a padded feel. This synthetic turf is recommended for moderate traffic and will look great in any application.

PUTTING GREEN 85

Total Weight Approximately 85 ounces	Application DuraBlade™
Pile Height Approximately 0.7 inches	Infill Amount 1.5-2.0 pounds per square foot
Backing Polyurethane	Warranty 16 Year
Stock Yarn / Shape Textured Polypropylene	Roll Size 15 x 100 feet max.

This putting green has a ball roll performance like a professional green while still remaining budget friendly. This artificial putting green can be used both indoors and outdoors. No matter where you use it, the two-tone flower and lime green coloring will make for an attractive look.

SPRING GREEN 108

Total Weight Approximately 108 ounces	Yarn Quality DuraBlade™
Pile Height Approximately 2.0 inches	Infill Amount 1.5-2.0 pounds per square foot
Backing Polyurethane	Warranty 16 Year
Stock Yarn / Shape Polyethylene - Mini W	Roll Size 15 x 100 feet max.

Built with blades that will stand tall over time. You can walk on this heavy traffic product all day and it will bounce back, always looking plush. This artificial turf has pine and bamboo green coloring and has the appearance of freshly-mowed lawn.

OLIVE GREEN 75

Total Weight

Approximately 75 ounces

Pile Height

Approximately 1.5 inches

Backing

Optimum Flow™

Stock Yarn / Shape

Polyethylene - W

Origin

Made in the U.S.A.

Infill Amount

1.0 pound per square foot

Warranty

16 Years

Roll Size

15 x 100 feet max.

Equipped with Optimum Flow™ technology for exceptional drainage. Our preferred product for pet applications due to its permeability and slightly stiffer blade structure, which makes cleaning a breeze. This product is perfect for landscape, putting fringe, and anywhere else a medium density product is needed.

OLIVE GREEN 98

Total Weight Approximately 98 ounces	Origin Made in the U.S.A.
Pile Height Approximately 2.0 inches	Infill Amount 1.0 pound per square foot
Backing Optimum Flow™	Warranty 16 Years
Stock Yarn / Shape Polyethylene - W	Roll Size 15 x 100 feet max.

This turf offers a taller pile height with a tough blade structure, to imitate a lush, beautiful natural lawn. The Optimum Flow™ technology facilitates up to 8X faster drainage than a standard punch hole backing. Perfect for most all applications and is preferred for pet and high-traffic areas.
