## YOUR SPECIAL OCCASION RIDE

If you are planning a proposal, or to celebrate your anniversary or a unique, beautiful, romantic & special time this is your ride. For engagement rides your driver will be happy to discuss custom locations for your proposal upon your request. We will provide a non-alcoholic beverage with glasses. This ride also includes photo stops.

Each horse gets at least 5 weeks of vacation on a farm every year. They are subject to some of the most extensive horse regulations in the country, and are overseen by 5 city agencies, including the Department of Health and the Cleveland Mounted Police Unit. Carriage horses can't work in extreme heat or cold. They can't work more than six hours per day. They must have stalls large enough to turn around and lie down comfortably. They are examined by veterinarians at least four times a year: two regularly scheduled exams, and exams before and after their vacations.
