

# PACKAGE DEALS

## The Works

- **ALL OF OUR OFFERED PACKAGES INCLUDE A DOG'S NAILS TRIMMED AND FILED, THEIR EARS PLUCKED AND/OR CLEANED, THEIR ANAL GLANDS EXPRESSED, AND THEIR TEETH BRUSHED.**

## Full Groom

**INCLUDES A BATH, THE WORKS, AND A FULL BODY HAIRCUT (THIS INCLUDES THE HEAD, PADS AND PRIVATES, FEET, TAIL, EVERYTHING) TO THE OWNERS SPECIFICATIONS. THIS IS WHAT WE DO WHEN SOMEONE WANTS THEIR DOG'S HAIR TAKEN DOWN IN LENGTH AT ALL.**

## Trim & Tidy

A bath, the works, pads, and privates shaved, and then a trim on the feet, rear end/tail, and face if that applies (like for example we'll trim the face on a Yorkie or a shih tzu but not like, a

husky or Australian shepherd). This is our go-to package for dogs that don't really need a full body clip, like a husky or collie, or for dogs that just need a little touch up in between grooms.

## **Bath & Brush**

A bath, brush, and blow out. This is good for anyone who doesn't really need any haircut at all (like a pitbull, boxer, beagle, etc) or any dog that just needs to get clean without a cosmetic change.

**We also do walk-in nail trims between 10am and 2pm!**
