Free Delivery and Setup Within 40 Miles!

Rent-To-Own was established as an alternative to mini-warehousing. Our no strings plan allows you to have your own storage facility for your backyard or business, when and where you need it. The low monthly rental rates are comparable to mini warehousing rates per square foot. You are not required to fill out a credit application, nor are you required to keep your building. Rent-to-own prices are based on 36 or 48 months.
