

What to expect when you book an appointment:

During the busy season we book one appointment per day; appointments are booked for the current month only. We ask that all clothing items be brought in clean, wrinkle free, and on hangers. Upon arrival new consignors will be asked to fill out a Consignor Agreement and will be assigned a consignor ID number. All consignment items are counted, listed, and priced with the Consignor's ID. Consignment contracts last a period of 3 months. After 3 months consignors are paid 40% of the purchase price of items sold. Consignors are asked to decide if they wish to pick up unsold items within two weeks of receiving a check, or if they prefer that unsold items be donated.

To book a Consignor Appointment please call to 269-469-0505 during business hours.
