

MEET CLUNK...

He hates you, and is bent on world destruction. Thankfully, he really sucks at it...

Want to follow along as he bumbles through his misadventures to conquer all??

Each month we'll be offering a new Clunk sticker free with your tattoo!

Not getting tattooed that month, but want the new sticker anyways?

Just stop by Envious Ink Tattoo Studio and pick the current one up for only \$5

For updates on Clunk's progress, and sneak peeks of upcoming designs follow [@clunkhatesyou](#) on Instagram
