Appointments -- Please be considerate to our other clients and your stylist and be on time for your service. We want your appointment to be a relaxing and enjoyable experience. We may need to reschedule your appointment if you are more than 10 minutes late. Please contact your stylist immediately if you are running behind and we will do our best to accommodate you. Depending on the services scheduled (extensions - for example), we may require a down deposit while scheduling.

Cancellations -- We understand that emergencies happen, however, a 24-hour notice is required if needing to cancel services. We have a 3-strike rule for “no shows”. If on the third no show, we will request you seek another salon for services. We appreciate your consideration and understanding.

Payment -- Most major credit cards, Zelle and cash are accepted at HJ Hairstyles.
