- + Click **Sign Up** and complete the registration form.
- + Enter **HQ193M1** and click **Sign Up**

“ Even if you don’t think it will happen to you, it’s incredibly important to have the protection of a company that can step in and help you through the recovery process. I’m relieved to know that if it does happen. again, I’ll have someone to help.”
— Kimberly R.

Frequently Asked Questions

—Q Your one-stop shop for cyber defense.

Worried about ransomware, data breaches and identity theft? Meet CyberScout® HQ, a one-stop shop for identity and data defense services.

What is CyberScout HQ?

CyberScout HQ is an online identity control center that delivers unlimited education, protection, and resolution all in one place. It helps you take command of your security with a complete view of your current identity status, simplified tools to monitor and control your information, and a live expert to help you react when you need rapid response.

What are the key features of the portal?

CyberScout HQ provides resources to help you **minimize** exposure to cyber risk, **monitor** your personal information and **manage** damage to your identity. These resources include the CyberScout HQ Knowledge Center, 24/7 access to live specialists at our Resolution Center and tools for monitoring and managing your personal information.

Why should I enroll?

Enrolling in CyberScout HQ empowers you to better manage your identity by accessing all of your security solutions and education in one spot. The portal is available 24/7, and so is CyberScout identity management support, should you need help. For your convenience, you can access CyberScout HQ across multiple devices, including smartphones and tablets.

What tools are available on CyberScout HQ?

At CyberScout HQ, you can select the right combination of cost-effective cyber fraud defense solutions to monitor and protect you and your family.

How do I register?

Registration for CyberScout HQ is easy. Simply follow these three steps:

- + Visit cyberscouthq.com/darkwebplus and click **Get Started**.
- + Click **Sign Up** and complete the registration form.
