Savannah Swanlund - Massage Therapist

Savannah began her healthcare career as a Physical Therapist Assistant after graduating Peoria Central College in 2005. She soon realized that recovery and outcomes within the Physical Therapy setting derived greatly from hands on approaches. Savannah received her Massage Therapist License in 2014 & holds a personal trainer certification with an additional certificate in nutrition. She has worked diligently to assist in providing the individualized approach to wellness for each patient and client and understands the demands that life presents as she is a mother of 4 and was raised in a large family. Savannah has a passion and drive in her selected career endeavors inculcated from her upbringing including the influence from her Grandmother and Parent's devotion to the family owned health food stores.
