

Our main goal is to provide unique services and products that give breast cancer patients a sense of confidence and joy during a difficult time in their lives. Whether you have a lumpectomy, mastectomy, breast augmentation, or other requirements, our friendly staff will fit you with products that meet your individual needs. Our certified sales associates will fit you with the right bra and garment for your breast size and type to get you feeling like yourself again.

*We guarantee that your experience will be compassionate and informative so that you understand what your options are!*

**MEET  
GEORGIA  
CARLSON**

Georgia has over 30 years of experience as a Certified Fitter of Mastectomy. She is certified in diabetic shoe fittings and compression wear.
