CLASS REGISTRATION

Register for classes by telephone, in person, or by mail. Full payment is due upon registering. (Credit card, check, or cash accepted.) You will receive a class supply list and directions. The cost of supplies, unless noted, is not included in the class fee. Please call if you are unable to make it to a session. Occasionally there will be preparation required before class, please check. Most classes prefer a 4 student minimum, if too few sign up, class may cancel. A full refund can be expected. Machine rentals are available, no guarantee of model. \$10 for sewing machine, \$15 for embroidery. Please request when you sign up for class.

Sewing Retreat

This is our fun day to work on any project that suits you! We are here to help and cheer you on!

Bring your lunch, and all supplies and machines that your project requires. As always, the store is here if you need anything. Class meets first Fridays, and the Monday 10 days later. 9-4 \$25.00

Jan 22 (monday) off schedule, but still happening

Feb 2 (friday) & **12** (monday)

Mar 1 (friday) & **11** (monday)

Apr 5 (friday) & **15** (monday)

Stitchers Garden

We are working on an applique and pieced quilt that is rich with decorative stitches and interesting techniques. Although we have started, you are welcome to join in!

The biggest benefit of this class, is that you learn so much about your machine and the presser feet. We only make one block each month, so it is manageable with our busy schedules. Class meets 1st Thursdays, 1-4 \$20

Jan 11 (one week late), **Feb 1**, **Mar 7** etc

Q Series Support

All Q Series Longarm Owners welcome!

Open to sit down table and frame owners. Join us for a morning of talking and learning about our machines, and techniques related to it. Bring Show and Tell!

Please note: We will be doing some experimenting with battings, and you are invited to join us for this interesting experience! There will be a charge for the battings. We will finalize details in January, come give us your suggestions!

Class meets 4th Tuesdays, 10am \$0.00

Jan 23, **Feb 27**, **Mar 26**

Software Projects

If you own Bernina Embroidery Software, we want to help you along the way with this class designed to make small projects, using this amazing tool that you have. Each class uses something different in the software. We will indicate which versions of the software can accomplish the project that we are working on. Suggestions for future classes are always welcome!

Bring a laptop with your software loaded, and running. Please sign in on your home WiFi.

Class meets 2nd Tuesdays, 1-4 \$20

Jan 9 - Applique and cutwork

Feb 13 - Textured landscape - color gradient

Mar 12 - Stumpwork

Windsong Block of the Month

Lets just enjoy a really great pieced quilt! This medallion style quilt is just the ticket! We have a brand new pattern, and the perfect fabrics in a kit available soon! We will meet each month for a year, and master this challenge. This is not a great first time project, but a confident beginner, up to a pro will find joy making this quilt.

Quilt finishes 108 inches square.

Class meets 2nd Thursdays, 1-4 \$20

Feb 8 - Center block **Mar 14** - Moon and Sun

Classes will continue each month.

Amazing Sale!!!

**Paintwork and
Crystalwork Tools**

Was \$199 each,

**today \$50
each!!!**

If you always
wanted them,
get them today!!!

Sincerely Yours

If you haven't tried applique with your embroidery machine yet, it is time to start! This gorgeous quilt is a worthwhile project! There are many blocks that stitch in your hoop, and some piecing. What a combination! This is a great quilt for all skill levels. Come make one for yourself! There will be some homework, and much sewing in class. We will try to tuck this into 6 months. Quilt finishes 66 x 84". This can be accomplished with a large oval hoop, but larger hoops will make the job easier. Class meets 2nd Tuesdays, 9-12 \$20

Feb 13, **Mar 12**, ect

Sew Sense

Come in for an hour or two of sewing talk!

Bring your show and tell, victories, problems, and a helpful attitude. We can learn from each other and form a precious community. We will showcase new products and projects happening in the store, and give a brief demo on a foot or accessory that is on sale that month.

Class is free, and meets 2nd Thursdays,
10am

Jan 11, **Feb 8**, & **Mar 14**
