Iowa Veterans Outdoor Experience is a group of dedicated individuals that help our disabled Veterans get back out and enjoy the great Iowa outdoors.

Mission Statement: To provide opportunities for all Veterans to enjoy Iowa's great outdoors.

Purpose: To give assistance, camaraderie and support to our Veterans and their families through various outdoor activities. Give our wounded Veterans opportunities that may not normally be available. Provide education for local and national agencies that are available to Veterans and their families.

All our outings are funded by donations. No board member or volunteer is paid. This means 100% of your donation goes straight to supporting our nation's disabled veterans.

We have been actively helping disabled Veterans for over 10 years. For the first 5 years we partnered with another group and in 2018 we officially formed Iowa Veterans Outdoor Experience (IVOE).

We are a registered 501c3 Nonprofit. We have helped or sponsored over 20 deer hunts or fishing trips. We have had TEN veterans who have called or emailed after an event that they attended to let us know that the support from IVOE and the community, saved their life. This is the ultimate goal of Iowa Veterans Outdoor Experience.

Thank you for considering IVOE in your yearly donation program.

Sincerely,

Scott Storck -President

Brad Storck-Vice President

Curt Phillips-Treasurer

Cliff Bohling-Board

Randy Henrichson-Board

Mike McCarty-Board

And all our volunteers
