MEET

ANDREA MOLLET

Hello! I'm Andrea Mollett! I'm a salon owner, and Master Color Specialist at the Hidden Gem Hair Lounge. I've been a hairstylist for 17 years. I was born and raised on the southside of Indianapolis.

In the salon, I am a hair color specialist! I love creating custom hair color looks on my clients. Services such as highlighting, balayage, ombré, color melts and any other blonding services are what i specialize in!

I'm also a curly girl and I'll do my best to help you love your curls! This is an area I'm currently growing my skills in as all curls are different! I'm always continuing my education, to stay with trends and learning new techniques to perfect my craft and become a better hairstylist for my clients!

When I'm not in the salon I'm a wife, and mom of two kiddos! I'm a sports momma! In the chaos of life, I also also enjoy cooking and learning about food to keep my family healthy and happy!

With your vision and my many years of experience, I'm certain we can achieve a look we will both be proud to show off! I am ready! Grab an inspiration picture, come sit in my chair, and let's make some magic happen!

I hope to hear from you soon

MEET

HEATHER MUSTIN

Hey, I'm Heather. My hair journey started back in 1998 while I was a student at Butler University. I got a job at a Northside hair salon and that was it for me. I fell in love with every aspect of the job from making the clients look gorgeous and happy to the work family that was created there. I knew that was what I wanted for my everyday. In March of 2000 I took the leap and started beauty school.

Fast forward 23 years (time flies when your having fun) I am a master stylist and part owner of Hidden Gem Hair Lounge. My favorite part is spending personal time with each client and getting to know them as well as their hair goals. I enjoy big transformations, small pixie cuts and all the fun in between. Color, hilights and Brazilian Blowouts to name a few.

I'm a mother to an amazing son and 2 bulldogs. When I'm not behind the chair you can find me reading, traveling or enjoying live music. I have traveled the world for music!

So if you're looking for a relaxed vibe while getting your hair needs fulfilled by a veteran stylist while talking all things travel, books, Disney, and Legos I'm your girl!
