Virtual Golf That Exceeds Expectations

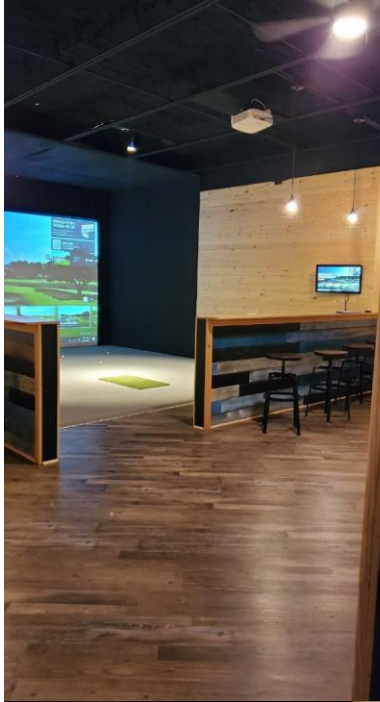

Playing a round of golf on a course is more accessible than you think with the stunning detail of a virtual game. Our State-of-the-art golf simulators offer unbelievable gameplay that will rival your days on the real-life green.

Powered By

TRACKMAN

Golf Simulators

Whether you feel like visiting the driving range or hosting a tournament with friends, our indoor golf simulators feel true to the game. Play with stunning visual detail on more than 97 courses - both real world and fictional. Challenge your friends to golf skill games suited for beginners and pros. Play world famous courses, test your golf skills with challenge games, target practice on the range or perfect your swing with the Shot Analysis.

Bay 1
-Single Bay
for up to 8
people play.
Private for
you or a
small group

Bay 2 & 3 -Double Bay Room for up to 16 people play. (You can rent 1 bay or both)
Rent Both Bays for Privacy or small group parties, bachelor party, banquets, Christmas parties, Team Building, etc.

**Recommended to bring your own clubs,
or use house clubs.**

We have snacks, or you may also order from our menu during kitchen hours and your food will be delivered to your bay.

How Does it Work?

Our Golf Simulators powered by TrackMan uses a patented multi-sensor technology that synchronizes an inbuilt camera with two bespoke designed ultra-sensitive radars. The result is a simulated game with pinpoint accuracy.

Rain or Shine

SHOT ANALYSIS

Actionable data at your fingertips. Every time you hit a shot you receive key information in real time. Select a view that fits your needs, from easy-to-understand numbers over video recordings to a 3D view of the ball flight.
