**Consumer Advisory**

Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of food borne illness, especially if you have certain medical conditions.

We understand your concerns about potential allergens in the foods you eat. Our primary goal is to provide accurate information on each ingredient used in each dish. To do this, we carefully manage

the ingredients we buy and how we prepare our products.

While we take extreme cautions to minimize the risk of cross contamination, however, we cannot guarantee that any of our products are safe to consume for people with specific allergies.
