Who makes everything possible

Jenna Butterfield

Owner & Master Stylist

Specialties: I specialize in customized color, precision haircuts, and seamless hair extensions. I am certified in Olaplex, K18, Halo Couture, and Victoria Jayne Hair Extensions, which allows me to create beautiful, long-lasting results while keeping hair healthy and strong.

Experience: With 22 years of experience behind the chair, I bring both creativity and technical skill to every appointment. I'm passionate about continuing education and using high-quality products so I can tailor each look to my client's lifestyle and vision. As the owner of Alchemy Hair Lab, I love creating a welcoming space where clients feel comfortable, confident, and inspired.

Fun Fact: Outside the salon, I enjoy spending time with all my family, traveling, and hunting for antique milk glass to add to my collection. I'm also a proud dog mom to three small dogs and spend most of my free time keeping up with my busy 4-year-old, who makes sure life is never dull.

Fun Fact: I'm a born-again Christian! I have an antique booth located inside A.L.'s Pantry & Co., called Circle K Collective, where I have antiques, handmade furniture, jewelry, and embroidered items! When I am not at the salon, you can find me with my family and boyfriend, sourcing for antiques, shopping, on the water, or in the woods somewhere!
