

# Meet the Team

## *Alicia Moseley*

FOUNDER AND OWNER OF FIVE STAR DIAGNOSTIC

Alicia is trusted provider of professional drug and alcohol testing, DNA testing, and mobile diagnostic services based in Mobile. With a strong commitment to accuracy, compliance, and exceptional client care, she has built her business to serve employers, individuals, and organizations with reliable testing solutions designed for convenience and professionalism.

Alicia has specialized training in DOT and non-DOT drug screening procedures, specimen collection, workplace compliance testing, and collector education. Her expertise allows her to provide dependable testing services while equipping other professionals with the training and knowledge required to meet federal and industry standards.

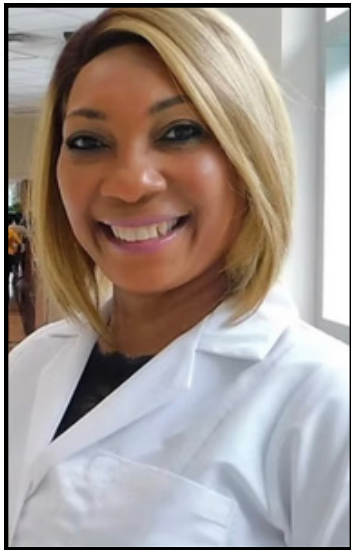

Through Five Star Diagnostic, she offers a wide range of services including mobile and onsite drug testing, DOT and non-DOT collections, oral fluid testing, hair collections, DNA testing, alcohol screening, training services, and employer compliance support. Her mission is to make professional diagnostic and compliance services accessible, efficient, and trustworthy throughout the Gulf Coast region.

### CERTIFICATIONS:

- DOT Trainer

## *Prince Uzoije, MD, FACP*

INTERNAL MEDICINE

The specialty of internal medicine is an area of primary care for adults. Dr. Uzoije specializes in diagnosing and treating cross-system illnesses that may affect multiple organ systems. When necessary, Dr. Uzoije can also refer patients to specialists when medically needed. As an example, patients with severe allergies could be referred to an allergist for added diagnostic tests or treatment options.

Geriatrics: Dr. Uzoije is trained to provide comprehensive medical care for elderly and aging patients. As patients age, they may experience an increased susceptibility to illness and injury. In some cases, illnesses or injuries in seniors may overlap to create complicated diagnostic and treatment processes. Dr. Uzoije is trained to diagnose, treat and manage these and any related medical situations in seniors.

### EDUCATION:

- University of Nebraska College of Medicine
- Clark-Atlanta University
- Alabama A & M University

### HOSPITAL AFFILIATIONS:

- Mobile Infirmary Medical Center
